

ROADMAP TO COLLEGE

Essentials for your college search

Feeling overwhelmed as you try to find the perfect college fit for you? Confused by the college application process? Penn State Schuylkill's Roadmap to College program can help!

This innovative new program is completely **free** and designed to help high school students (grades 9 through 12) and their families navigate the college search and application process—no matter which college you choose to attend. We'll also help you better understand the complex and evolving landscape of higher education. The five-week program will be held virtually for spring 2021.

Why participate in Roadmap to College?

You'll learn from higher education professionals how to manage and master the college selection and application process and be able to make well-informed and well-timed decisions. Topics include:

- Finding the right program and institution for you
- Demystifying the financial aid process
- Understanding the various roles and offices in higher education
- Learning where to turn for help along the way
