

**We are
better
together.**

Why Penn State?

At Penn State, you'll join a globally recognized university that ranks among the nation's best for setting graduates up for greater career potential. You'll be part of a community committed to your success, and when you graduate, you'll join a network of 750K+ Penn Staters spanning the globe.

Why Penn State Schuylkill?

Penn State Schuylkill is a small campus with limitless possibilities. Our students have access to:

- Bachelor's degree programs including
- Biology (options in ecology, genetics/development biology, and vertebrate physiology), Business (options in accounting, health services, and marketing/management), Corporate Communication, Criminal Justice, Cybersecurity, Information Technology and Psychology, and an RN-to-BSN program
- 14 athletics teams that compete across the NAIA, PSUAC and USCAA conferences
- Peer tutors and academic coaches who help students succeed
- Undergraduate research opportunities available from day one — in fact, we are one of the most undergraduate research-active campuses across Penn State
- Apartment-style living for all resident students

Dual Admission

Students at Northampton Community College are eligible for dual admission to all Penn State Commonwealth Campuses.

1:1 Transition Assistance

At Penn State Schuylkill, our focus is student success. That's why we have a transfer team ready to help you navigate the transition from Northampton to Penn State. Our admissions transfer specialist will make sure you get in the door with ease, and our advising manager helps you register for the courses you need.

Penn State Schuylkill Co-Op

This elective program offers three one-credit career development courses that teach interpersonal skills, resume writing, interviewing and more. Combined with three full-time work experiences, Co-Op helps you graduate with a diploma *and* a résumé.
