Discover career paths that spark your passion at one of Penn State Schuylkill’s Career Exploration Academies.

Career Exploration Academies are designed to help high schoolers explore their career interests through virtual academies focusing on:
- coding and cybersecurity
- health sciences
- communications
- psychology and criminology
- entrepreneurship

These week-long summer experiences feature expert instructors, fascinating guest speakers, and engaging activities that are both fun and informative. Students can stay active and engaged while gaining real-life experience without leaving home!

Each academy is for students in grades nine through 12. Classes meet Monday through Friday from 10:00 a.m. to noon daily.
